

INFUSION Therapy

Cook Hospital provides outpatient infusion therapy in a comfortable setting with flexible scheduling and expert medical oversight.

Quality Care, Close to Home

Cook Hospital accepts referrals for infusion therapy services, allowing your team to provide high-quality medical care for patients closer to their home.

- **Patient Convenience**
Less travel = better adherence and more rest for patients
- **Streamlined Process**
We handle scheduling, prior auth, and pharmacy coordination
- **Collaborative Care**
We keep you in the loop with timely updates on patient progress
- **Dedicated Team**
Our team of professionals deliver high-quality, friendly care for every patient.

REFERRAL PROCESS

Send patient's infusion orders / therapy plan via email to:

lbrett@cookhospital.org

Our team will contact the patient for scheduling and follow-through.

Want to talk through a case? Call our scheduling team directly at:

 218-666-6214
